# 4<sup>th</sup> Annual International Review on GI Cancers

## Welcome Address

Gopalkrishna Charitable Trust is back with an exciting interactive program for the 4<sup>th</sup> Annual International Review on GI Cancers. This meeting will be held on a virtual platform on 14<sup>th</sup> - 15<sup>th</sup> & 21<sup>st</sup> - 22<sup>nd</sup> May 2021.

With its building reputation of being a premier meeting in the gastro-intestinal (GI) cancer space, this Annual Scientific Meeting provides a forum where the enigmatic nature of gastro-intestinal cancer is challenged. Backed with a detailed review of practice changing publications in the scientific program and through shared exchange of knowledge we aim to uncover the mysteries of the various GI cancer and meet the challenges faced by health professionals in the treatment for this group of cancers.

The meeting provides oncologists, gastro-intestinal cancer clinicians, researchers, onco-diagnostic physicians and allied health specialists with the opportunity to review and discuss current challenges and innovations, as well as hear from national and regional leaders on the latest in research and treatments. The meeting also provides an interactive opportunity with its scientific activities.

We look forward to seeing you soon.
